# Groundskeeper Exceeds Expectations

The University Police Department recently requested to have an area on campus cleaned up for a memorial ceremony in

## OAS Employee Appreciation Day

Employee appreciation is an essential part of maintaining an enjoyable work environment. On June 25th, the OAS Recognition and Awards Pillar presented their second annual OAS Employee Appreciation Event. This event was held across three different sessions in order to give all employees an opportunity to attend. The event included sandwiches, drinks, games, and a live DJ. A big thank you goes out to all OAS employees, who are constantly impacting lives and exceeding expectations! Check out some OAS employees, pictured to the right, enjoying their time out of the office with food, games, and good conversation.
