

Through a smartphone application (a touchless option), ParkMobile facilitates parking payment via cell phone. You can also utilize their website in place of the phone app. Both daily and hourly options are available through ParkMobile. A few clicks and you're done! Please visit the [ParkMobile section of our website](#) for more information.

USF students, faculty, and staff members can purchase daily permits in advance through the USF Parking portal ([parking.usf.edu](http://parking.usf.edu)). These permits offer the convenience of purchasing from any internet enabled device with printer capabilities. They will be valid for 1 day only and can be purchased up to 14 days in advance. It will also include a Bull Runner daily bus pass.

Y Permits may also be purchased through your parking portal account. These permits can be paid in full or through payroll deduction if you are an employee.

Pay stations are conveniently located throughout campus to pay for parking. View our [parking map](#) for locations. For parking maps, rules, and regulations [visit our website](#) or call (813) 974-3990 for inquiries.

We understand parking can be a source of confusion for some, so we are here to help you navigate your options. If you still need assistance in determining what option is best for your needs, contact our office at [psweb@usf.edu](mailto:psweb@usf.edu) or by calling (813) 974-3990.
