UNIVERSITY OF SOUTH FLORIDA

## Faculty vs. Student Control Expenditure Grant Notion

The Faculty vs. Student Control Expenditure Grant is a new initiative that allows students to have a say in how their department's funds are spent. This grant is designed to give students a voice in the decision-making process regarding their department's budget. The grant is available to all departments and is intended to be used for a variety of purposes, including student activities, research, and educational resources.

**Dr. Robert Chan**  
Dr. Robert Chan is the chair of the Faculty vs. Student Control Expenditure Grant. He is a professor of chemistry and has been involved in the grant since its inception. He is currently serving as the chair of the grant and is responsible for overseeing the grant's operations. He is also a member of the USF Chemistry Department's executive committee.

**Dr. Carlos Carrucco**  
Dr. Carlos Carrucco is a professor of chemistry and is currently serving as the vice chair of the Faculty vs. Student Control Expenditure Grant. He is responsible for overseeing the grant's operations and is also a member of the USF Chemistry Department's executive committee. He is currently serving as the vice chair of the grant and is responsible for overseeing the grant's operations.

**Dr. Edward J. Jurek**  
Dr. Edward J. Jurek is a professor of chemistry and is currently serving as the chair of the Faculty vs. Student Control Expenditure Grant. He is responsible for overseeing the grant's operations and is also a member of the USF Chemistry Department's executive committee. He is currently serving as the chair of the grant and is responsible for overseeing the grant's operations.

The Faculty vs. Student Control Expenditure Grant is a new initiative that allows students to have a say in how their department's funds are spent.
