Florida Prepaid

is first invoiced the second week of the term after the drop/add period. Payments are received and posted approximately 4-6 weeks after invoicing. We invoice throughout the term for students that register for additional courses or have additional hours added at Rorida Prepaid.

•

[•] When you change your registration hours, your Florida Prepaid amount will not immediately adjust to the number of hours for which you are now registered. It requires an overnight process that reviews your registered hours and compares against the number of hours remaining on
