

(REVIEWED DURING ORIENTATION SUMMER 2024)

INTRODUCTION

The audiology practicum assignments are an essential educational component of the audiology doctoral program. To ensure success of clinical experiences for the audiology doctoral student, this handbook was designed as a guide covering all four years of the program. The handbook is organized so that general information is presented first; this is information that is related to students in all four years of the program. This is followed by sections containing information as it pertains to each year of the program.

GENERAL INFORMATION

Non-Discriminatory Policy

Individuals must not discriminate in the delivery of professional services on any basis that is unjustifiable or irrelevant to the need for and potential benefit from services such as: race, sex, age, religion, national origin, sexual orientation, or handicapping condition.

Confidentiality

Students are required to follow departmental policies and Health Insurance Portability and Accountability Act (HIPAA) of 1996 policies regarding confidentiality. The requirements of HIPAA apply to the storage and/or electronic transmissions of patient related information and are intended to ensure patient confidentiality for all health care related information.

HIPAA Certification

A part of being a healthcare provider is knowing the rules and regulations regarding HIPAA. Because the clinic serves not just for providing audiology services to

solving in ways that make it easier (not harder) for others to accomplish their work.

11. You properly credit others for their work.
12. You sign your work.
13. You take responsibility for your actions, your reactions, and your inaction.
This means you do not avoid responsibility by offering excuses, by blaming others, by emotional displays, or by helplessness.
14. You do not accept professional duties or tasks for which you are personally or professionally unprepared.
15. You do what you say you will do, by the time you said you would do it, and to the degree of quality you said you would do it.
16. You take active responsibility for expanding the limits of your own knowledge, understanding, and skill.
17. You vigorously seek and tell the truth, including those truths that may be less flattering to you.
18. You accept direction (including correction) from those who are more knowledgeable or more experienced. You provide direction (including

Cell Phones

Cell phones must be turned off when students are in clinic. Under no circumstances should a cell phone ring when attending to a patient. If the student has special circumstances regarding receipt of a phone call, the supervisor must be made aware of this.

THIRD YEAR STUDENT INFORMATION

Clinic Hours – Year 3 off-campus (Clerkship I, II, III)

Students will rotate through a specific sequence of clinical settings designed to provide a variety of clinical experiences (e.g., adult diagnostics, pediatric diagnostics, adult hearing aids, pediatric hearing aids, vestibular evaluation/treatment).

Each of the three clerkship experiences will take place in different settings. VA traineeships or other paid clerkships may only be counted as one of the three clerkship experiences. Only one clerkship assignment will be approved per semester.

The minimum number of clerkship hours is listed below for each semester as well as for the entire year. Please be aware that an individual site may expect more hours than are listed.

Summer Semester	10 weeks at 10 hours/week	100 hours on site
Fall Semester	14 weeks at 10 hours/week	140 hours on site
Spring Semester	<u>14 weeks at 10 hours/week</u>	<u>140 hours on site</u>
	Total minimum hours on site	380 hours
