The USF Board of Trustees is responsible for cost-effective policy decisions appropriate to the university mission and the implementation and maintenance of high-quality education programs within the laws and rules of the state. The USF Board of Trustees was created in 2001 by the Florida legislature.

The 13 trustees include distinguished figures in accounting, banking, business, education, law, technology, philanthropy, and public policy leadership. Six trustees are appointed by Florida's governor, and five trustees are appointed by the Florida Board of Governors. The USF Faculty Senate President and USF Student Body President also serve as trustees. The USF President serves as Corporate Secretary.

The University of South Florida is a high-impact global research university dedicated to student success. Over the past 10 years, no other public university in the country has risen faster in U.S. News and World Report's national university rankings than USF. Serving more than 49,000 students on campuses in Tampa, St. Petersburg, and Sarasota-Manatee, USF is designated as a Preeminent State Research University by the Florida Board of Governors, placing it in the most elite category among the state's 12 public universities. USF has earned widespread national recognition for its success in graduating underrepresented minority and limited-income students, at rates equal to or higher than white and higher-income students. USF is a member of the American Athletic Conference. Learn more at [www.usf.edu](http://www.usf.edu).
