**Overview**

Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts and eight undergraduate subcohorts at three status points: four years, six years, and eight years after entry.

(July 1, 2009-June 30, 2010 Full Year)

From the adjusted 2009-10 cohort, report the number of students who earned an award by four years after entry for each subcohort. If a student earns multiple awards, report only the highest award conferred to the student by the status point (August 31, 2013).
