Undergraduate instructional activity data in Part B may be reported in units of clock hours or credit hours.

Which instructional activity units will you use to report undergraduate instructional activity?

Please note that any graduate level instructional activity must be reported in credit hours.

The table consists of approximately 10 rows and 2 columns. The top three rows are completely obscured by a solid blue bar. The remaining rows are partially obscured by blue and orange bars. The visible cells are mostly empty, with some containing faint, illegible text or symbols. The orange bars appear to be highlights or markers for specific rows.
