

# MEMBER COLLEGE SELECTION

---

This curriculum plan is for students in the Fuse program entering their first semester of college at a Florida College System (FCS) institute. Fuse students entering during a different academic year must follow the Fuse curriculum plan for that year.

*Students must meet multiple requirements, including prerequisite courses and a minimum grade average in specified major-related courses, for admittance to the Computer Engineering major at USF. Currently,*

*Connect regularly with your advisors to ensure you understand and are meeting all requirements.*

CHM 2045 or CHS 2440	3
CHM 2045L or CHS 2440L	1
General Elective	<u>3</u>
Total	14

COP 2510 Programming Concepts <sup>1*</sup>	<u>3</u>
Total	14

---

In addition to completing the requirements of the AA program, the following courses (or pre-approved substitutes) specific to the Computer Engineering program must be completed for admission into the Computer Engineering major at USF.
