

The College of Education has a SEPARATE APPLICATION PROCESS from the University of South Florida. Please allow enough time to apply and receive acceptance from USF before applying to the College. The Exceptional Student Education program admits students in all semesters (fall, spring, summer). It is highly recommended that you apply to the COEDU (Exceptional Education Science) via the application of the General Knowledge Test, including Math, Reading, Language, and English before enrolling in the college. All applicants must have an overall GPA of 2.5. EDF 1005 must be completed.
