

# Virtual Global Exchange

USF World is excited to announce that we are offering a faculty workshop on Virtual Global Exchange. Click *here* to watch our brief 1-minute video about the program.

This self-paced, asynchronous workshop is available via canvas.

## Opportunities for Faculty Include:

- Learn how to work with counterparts abroad to collaborate on a student activity
- Adjust existing assignments on their syllabi for international collaboration
- Understand the partnering process
- Refresh their current teaching toolkit
- Build their teaching portfolio
- Expand their network of contacts
